Family Service Center Students tour Joshua Citrus

Our ESOL & Family Literacy students recently visited Joshua Citrus after they completed a unit of study involving health & nutrition. This visit provided an excellent learning tool to end this project by showing everyone a fully functional local citrus grove & store. The day was enjoyed by all with many relishing in some delicious ice cream at the conclusion of the day!

Thank you Joshua Citrus for a great day!

LPN Graduate to RN Graduate!

Congratulations to our very own, Victavia Blandin, for recently passing her state Registered Nurse licensing examination! Victavia began her health science career at the Family Service Center with Instructor Lori Fussell in our 2017-2018 Licensed Practical Nursing class. While a student at FSC, Victavia always maintained a positive attitude and a contagious smile! We are so proud of you, Victavia, and can't wait to see where this next chapter in your life takes you! Congratulations!, Victavia! We are proud of you!
